

Missy's Woodland Pet Spaw

Newsletter - August 2025

👋 **Hello, Pet Parents!**

We hope you're enjoying the summer sunshine with your furry companions! Here's what's happening at the Spaw this August:

 **Melissa's Time Off**

Just a heads-up: I'll be away on the following dates to recharge and soak up some summer vibes:

- **August 1st–10th**
- **August 14th–15th**
- **August 29th–September 2nd**

Also, a gentle reminder that **I'm off on weekends until September**. Please plan ahead for appointments, and thank you for your continued support and flexibility!

☀️ **Exciting News: Elle Is Now Taking Clients!** ☀️

Elle, our talented trainee, is now offering a variety of grooming services while continuing her training journey. She's ready to pamper your pups with:

- **Bath & Brush Packages**
- (Includes bath, brushout, nail trim, ear cleaning, and paw/pad trim)
- **Nail Trims**
- **Brushout Packages**
- **Pawdicures**
- **Ear Cleaning**
- **Teeth Brushing**

Elle will be available while Melissa is away on:

- **August 4th–5th**
- **August 14th–15th**

 **Coming This Fall:** Elle will begin offering full-service grooms (haircuts) as she continues to level up her skills.

Special Offer: Clients who book haircut appointments with Elle in the fall will receive a discount for volunteering their pups for her grooming practice. All grooms will be supervised by Melissa to ensure quality and care.

Elle has already shown great promise—her work on her own dog **Ralph the Bernedoodle** was pawsitively impressive!

 Meet Ralph, Elle's adorable Bernedoodle and her very first grooming model! Ralph has been a superstar during Elle's training, and thanks to his patience (and fluff), Elle has been able to practice everything from brushouts to paw trims. He's now strutting around looking fresh and fabulous—and your pup could be next!

☀️ August Grooming Tip: Beat the Heat!

Summer heat can be tough on our furry friends. Here's how to keep them cool and comfy:

- **Regular brushouts** help remove excess fur and prevent matting
- **Paw trims** keep feet clean and reduce heat retention
- **Ear cleaning** helps prevent infections from summer swimming
- **Teeth brushing** keeps those summer smiles sparkling!
