Missy's Woodland Pet Spaw

Warm weather is finally here! As the trails get greener and the days get longer, we are busy getting all our furry friends ready for their summer adventures. Here is what's happening at the Spaw over the next few months:

SUMMER SALON HOURS

To help everyone make the most of the sunshine, we will be operating on our summer schedule:

- Monday - Friday: Open for all your grooming needs.
- Saturday & Sunday: Closed for family time and woodland wandering.

MELISSA'S HOLIDAY DATES

I will be taking a little time away from the grooming table to recharge. The salon will be closed during the following dates:

- July 1st - July 5th
- July 30th - August 10th

Please note that these dates tend to fill up fast immediately before and after I'm away!

RACHEL'S EARLY BIRD SPECIALS

Need to drop off your pup before your workday begins? Rachel has early morning appointment availability!

- When: Monday through Thursday
- Why: It's a great way to beat the midday heat and get your pet's pampering done early.

PRO-TIP: PRE-BOOK YOUR SUMMER GLOW-UP!

Between family vacations and cottage trips, summer calendars fill up in the blink of an eye. To ensure your pet stays comfortable and mat-free during the humid months, we highly recommend pre-booking your appointments through August.

Give us a call or send a message today to secure your spot in the shade!

DID YOU KNOW?

Keeping your pet's coat well-groomed in the summer doesn't just make them look cute, it helps them regulate their body temperature and protects their skin from the sun!

We can't wait to see you and your pups soon!
